Useful information

Presentations

30 minutes are allocated to each paper.

Chairpersons will make sure that the time constraint is met.

The presentation itself should last up to 20 minutes. Discussion openers will have up to 2 minutes each. The remainder will be devoted to a general discussion.

Discussion openers

Discussion openers open the discussion and can only use 2 slides if any.

Discussion openers have a limit of 2 minutes.

Slides

Presenters and discussion openers should bring their slides on a memory stick and transfer them to the computer of the workshop before the beginning of their session.
